III.—ANNOUNCEMENT *RE* DECISION OF THE BUSINESS ADVISORY COMMITTEE.

MR. SPEAKER : I have to make the following announcement regarding the conclusions arrived at by the Business Advisory Committee at its meeting held yesterday. The Committee also considered the time to be allotted for each Bill and decided as follows :—

21st April 1959]

THE HON. SRI M. BHAKTAVATSALAM: Mr. Speaker, Sir, I move—

'That the decisions of the Business Advisory Committee be adopted'.

MR. SPEAKER: The question is—

'That the decisions of the Business Advisory Committee be adopted'.

The motion was put and carried.

MR. SPEAKER: We shall now proceed with the Bills. Though the Business Advisory Committee had decided that 1½ hours should be allotted for the Payment of Wages (Madras Amendment) Bill, 1959, many hon. Members feel that more than one hour may not be necessary for that Bill. They think, that if the House will agree, they can give two hours for the consideration of the Public Health (Amendment) Bill. If that is the desire of the House I have no objection to allow two hours for the Public Health (Amendment) Bill. If many hon. Members take part in the discussion of the Bill then we can change the time allowed for the Bill. The Hon. Minister may now move the motion standing in his name.

IV. GOVERNMENT BILLS.

(1) THE MADRAS PUBLIC HEALTH (AMENDMENT) BILL, 1959 (L.C. BILL NO. 2 OF 1959).

* THE HON. SRI M. A. MANICKAVELU: Mr. Speaker, Sir, I beg to move— 2-10 p.m.

'That the Madras Public Health (Amendment) Bill, 1959 (L.C. Bill No. 2 of 1959 [a]), as passed by the Council be taken into consideration.'

Sir, I may explain the circumstances under which this Bill is being brought before this House.

A Committee was appointed in 1950 under the Chairmanship of the Director of Public Health to go into the question of sanitation of hotels and catering establishments and to make recommendations for improving the existing conditions therein. It was observed by the Committee that it was necessary to take power under the Madras Public Health Act, 1939, to license and control the catering establishments as had been done in the case of lodging houses. It was also observed that such a measure would bring about uniformity of procedure in regard to 'licensing', 'appeal' and 'control' of catering establishments in Madras City, in Municipal, District Board and Panchayat areas.
